## MANAGER'S MUSINGS

Waimarie: Hamilton East Community House serves the south east area of Kirikiriroa.

We run a variety of programmes and services for the community and we are always open to new ideas and suggestions.

### Courses

In 2017, we will be running Tai Chi classes starting on March 15th, 2pm-3pm.

This class is \$5 per person and it is open to beginners as well as advanced practitioners.

Two ukulele classes for adults will be available.

If you are interested please read the article in this spread.

We will also run art classes over the year and organic gardening courses. Please ring the office if

you require more information.

### Opportunity shop

Our opportunity shop has a great range of quality goods for sale. We are open from 9am-4pm, Monday to Friday.

### Want to practice and perfect your French?

Noelie wants to offer some of her time to people who want to improve their French on Friday afternoons. Contact Anne on 858 3453 or by email [admin@waimarie.org](mailto:admin@waimarie.org)

### Do you want to make things happen in your community?

Do you have a burning desire to change or improve something in the neighbourhood?

Are you passionate about creating a special space, project or initiative in south east Hamilton?

If you are, come and have a natter with us to see if we can help realise your dream.

We can assist with providing space, advice, advertising, mentoring, recycled paper and maybe other stuff to help get your project off the ground.

As long as the project is aligned with our mission and values, we can help make the neighbourhood a better place.

## BUDGETING SERVICES

Waimarie Community House offers budgeting services on Tuesdays between 10am and 3pm.

Talking to a budget advisor provides the opportunity to discuss actions that can help you reach your financial goals.

Having someone to discuss options with can clarify the way forward, particularly when you are experiencing significant financial demands or an unexpected situation has arisen.

Services consider all aspects of the financial situation and can explore increasing income, inventive ways to manage household expenses and ways to help manage debt levels.

This is a free service, open to any Hamilton person looking for guidance. The service is confidential and works under a code of ethics. You are welcome to bring a support person with you.

Waimarie Community House works with Hamilton Budgeting Advisory Trust to provide this service.

You can choose to have appointments at:  
 ■ Waimarie: Hamilton East Community House at 53 Wellington Street, Hamilton East on Tuesdays between 10am and 3pm or  
 ■ Hamilton Budgeting at 87 Clarence Street, Hamilton (opposite Placemakers), Monday to Friday 9am to 4pm

## SYMMINGTON SNIPPETS

The garden is the usual neglected looking spectacle after the Christmas break with plenty of weeding and planting to do.

Right now we have brassicas in — heritage broccoli, cauliflower, kale, cabbage, and brussels sprouts.

The tomatoes and broad beans are coming on and we will be planting summer crops soon.

We have done some planting at the front of the garden to augment the pond area, mostly grasses. Noelie and Joel are helping to design new landscaping for the

front of the gardens.

Our hens are happy but not producing a lot of eggs at the moment. They are quite well behaved and come when called (especially when you have greens), though not so much when it is raining and they are reluctant to come out of a sheltered area. Then they need a bit of encouragement and the odd prod!

We have volunteers who regularly water and feed them as well as cleaning out the hen house. A big thank you to Sheree, Jeff, Terrance, Ange and Allan for that.

Gardening starts at 9.30am on Friday. Inquiries to 858 3453.
