## CO-ORDINATOR'S CORNER

# Activities, opportunities open to all at Waimarie

**W**elcome. Waimarie: Hamilton East Community House serves the south-east area of Kirikiriroa.

We run a variety of programmes and services and are always open to new ideas and suggestions. Please visit or email us and let us know what you would like to see happening at Waimarie and/or how you could help us to achieve your vision. We need the support of our community to help us be of maximum benefit.

### Holiday programme

Our April programme will start on Tuesday, April 22 for three days and run for five days the second week finishing on Friday, May 2. We take children from 5-12 years old. Week one will include making pizzas in our adobe pizza oven, arts and crafts, cupcake making, soap making, badminton at Waikato Badminton, and Sing Star. Week two features a museum visit, treasure hunt, a visit to the movies and kayaking at Raglan. WINZ subsidies are available.

### Ye Olde Opportunity Shop

We have reopened our fabulous retro opportunity shop. We will be closed when the holiday programme is running but otherwise we are open from

Waimarie has opened an opportunity shop which stocks a variety of treasures for young and old.

9.30am to 3.30pm Monday to Friday. Come and check out our wares. We specialise in curtains as well so if you are planning to warm up for winter, take your window measurements and find some curtain bargains to help insulate your home.

We have lots of books, jewellery, linen, china, bric-a-brac and kitchenware. We also upcycle and have some of these new from old items for sale including oven mitts, plastic bag holders, hot water bottle covers and some lovely fully lined cloth shoulder

bags. We are planning on offering knitted goods as well. We don't stock clothing as there are many shops in Grey St offering this. If you have odds and ends of wool or needles you would like to donate, we would be very appreciative.

### Volunteers wanted

If you want to get out of the house and help your community we are looking for sewers/knitters to help create our lovely things. We are also looking for someone to manage the shop on a part-time basis. This would involve stock taking, putting out new stock, pricing, liaising with volunteers and similar. If you are interested, please phone Lisa at Waimarie.

### Shop donations

If you have good quality books, bric-a-brac, jewellery, kitchenware, cushions, linen, curtains, tools or china that you would like to donate, we would be happy to have them. We do not sell clothing, shoes or furniture.

### Term two courses

Courses in the planning stages for next term include driver's licence theory, cooking in the evening, harakeke and car maintenance. If you are interested in any of these, please phone us and let us know.

We have many wonderful volunteers and we couldn't function without them. Ka kite ano
