- Benefit Advocacy. Phone Craig Wills on (07) 850 4013 for an appointment.
- Holiday Programmes

Co-ordinator's Corner

WELCOME.

Waimarie: Hamilton East Community House serves the South East area of Kirikiriroa. Community houses are located in local neighbourhoods and exist to support and serve the local community. We run a variety of programmes and services and we are always open to new ideas and suggestions.

Winter is definitely upon us with people thinking about insulation, winter woollies and staying in on cold, wet evenings. Friends of mine have recently done the insulation themselves on two properties and saved themselves a fortune.

Winter is a time to reflect and plan and reminds us that there are different seasons and reasons in life. Our instinct is often to hunker down by the heater and stay close to the 'home fires'. Deciding I couldn't leave the dog without a long walk for another day, I ventured out on a particularly wintry, cold, wet Sunday afternoon. Returning home for a beanie after experiencing the chill factor, I walked to a friend's house. The dog inevitably escaped from the chicken coup (chickens were gone!) and necessitated being tied up. After a lovely chat, homemade muffin and a warm cuppa, I ventured back out in the cold and returned home a different way. I was pleasantly surprised by what I found, passing the Dey St uni accommodation. I worked in the building in the early 80s when it was the Ministry of Works and Development and remembered those days. It is worth going a different way as often as needed. It is easy to get stuck in a rut when each day is much like another. Some of us need to challenge ourselves to do something new, attempt something difficult or make space in our lives by getting rid of the clutter.

HOLIDAY PROGRAMME

This begins on Monday July 5 to Friday, July 16. We cater from 5 to 12 years of age and parents who qualify can apply for the WIN subsidy. In most cases, the subsidy covers the full cost of the programme. There is a weekly trip on Fridays with

lots of activities planned. Ring Waimarie for details about the programme or check on our website. You can also download enrolment forms from www.waimarie.org .

MORNING TEA

We recently held a Funders and Supporter's morning tea at Waimarie which was very successful. Lynda, Candice's mother and I even did some home baking and that will probably not be seen again for some time. We all chipped in to make a sandwich line and enjoyed talking to people in a relaxed atmosphere.

MATARIKI

We recently celebrated Matariki with a weaving workshop led by Danna Glendining. Participants enjoyed this so much we are planning other workshops (see timetable).

WEBSITE

Check out our constantly evolving website for lots of great ideas, news and community resources including our local Community Directory, rooms for hire and cheap and cheerful ideas for eating and travel. Our volunteer webmaster Guy Driscoll keeps it up-to-date for us. If you have any interesting things you think we should add, let us know.

ENTERTAINMENT BOOKS

We are selling Entertainment Books as a fundraiser again this year. They contain lots of coupons for price reductions and freebies in the Waikato and Bay of Plenty. There are discounts for a large range of goods from meals, movies, hotels and resorts to popular tourist attractions and takeaways. They sell for \$55 and we keep \$11. This is great value and you can order one at Waimarie.

SEEDLINGS

We are also selling organic vegetable seedlings, so check them out next time you are in the vicinity. We have plenty of celery that needs good homes. We are having a sale at the moment with all seedlings \$1.

NEW COURSES

Two exciting new courses are on the calendar this term. The latest fitness programme Zumba starts Monday, July 19 from 5.30-6.30pm at the Hillcrest Baptist Church. Zumba makes exercise fun by combining Latin-influenced music and dance.

For some creative inspiration enrol for the sculpting workshop with tutor-extraordinaire Craig Smith on Saturday, August 28 and Sunday 29. Enrol by Friday, August 20.

Thought for the week

Confucius: If you enjoy what you do, you'll never work another day in your life.
 Remember you are always welcome to pop in for a cuppa and a bit of a chinwag.
