SCHOLARSHIP

Waimarie Community House offers a Sport, Cultural and music scholarship (SAM Project) which sponsors children for one year to enable primary aged children (5 to 12 years old) who would not normally be able to participate in organised cultural activities, due to financial constraints, the opportunity to do so, by providing equipment and/or payment of fees. Phone Anne 07 858 3453 for more information

LITTLE FREE LIBRARY

Scholarships for primary aged children

Waimarie community house helps primary aged children who would not normally be able to participate in organised sports, arts, music and cultural activities, due to financial constraints, the opportunity to do so by providing equipment and/or payment of fees.

We can support each child for up to one year as they get a really good foundation in their chosen activity.

Waimarie do have criteria that a family needs to meet to access these funds.

- A family must have a Community Services Card.
- An application form needs to be filled out
- The children must be of primary school age (5 to 12 years old).
- There has to be a commitment from the family to support the children in the sport, music or cultural activity.
- The family must live in South East Hamilton.

Group activities also help children to learn to be part of a team/group, to share, co-

operate with others and develop team community spirit. It also teaches them to be good winners and loser. These skills will stand them in good stead right across their lifespan.

When a child is supported by SAM Project, Waimarie Hamilton East Community House pays the provider/school directly after receipt of an invoice.

■ Forms are available to download on our website www.waimarie.org or contact us on 858-3453 or email admin@waimarie.org
